"You tasted only (14)..... Water. But I tasted the gift. The water was a simple gift which showed his lovely kindness and nothing could be sweeter.

Test 15.

Read the text given below and answer the questions.

Most animals are very timid and harmless. Lots of animals come to my garden. Some of them are monkeys, butterflies, bird and bees. The butterflies fly from flower to flower and drink nectar. They all need food, water and shelter like us. We must feed them and provide clean water whenever possible. We must also allow them to build their nests in our garden. I have kept basins of water at many places in my garden. I feed them every day. As there is a small pond in my garden, lots of birds come there to take a bath.

Sometimes, animals starve for several days because they cannot find food and so we must give water and food for them. When animals come to my garden they eat up all the fruits but I am very happy. However, some children throw stones at them. Animals can't talk like people. Animals are very beautiful. They make the environment beautiful too. Never beat or chase them.

1. Write two qualities of animals.
(i) (ii) (01 mark)
2. What do the butterflies get from flowers.
..... (1/2 mark)
